Since its establishment in 1946, our beloved club has stood as a symbol of tradition, unity and progressive growth. The continued support, participation and enthusiasm of our members remain the true strength

behind our success.

I would like to begin by expressing my gratitude for the earlier managing committees who have done a stellar job in bringing the club to where it is today. Our club has evolved into a vibrant hub of culture, sports and fellowship, while staying deeply rooted in its founding values. This remarkable milestone is not just a celebration of the past, but also a renewed commitment to a promising future.

In the past year, we have witnessed encouraging developments across our facilities, events and community engagement. From enhanced amenities to thoughtfully curated programmes, every initiative has been guided by the vision of creating a more enriching experience for our members and their families. Our focus remains on maintaining excellence while embracing innovation and growth.

On the administrative front, continuous efforts are being made to strengthen systems, enhance transparency and ensure smooth functioning across all areas of the club. These steps are essential in building a strong and sustainable foundation for the years ahead.

I extend my heartfelt appreciation to all office bearers, committee members and staff whose dedication and teamwork have contributed immensely to the club's progress. Most importantly, I thank each member for being an integral part of this wonderful community and for upholding the spirit that defines our club.

As we commemorate 80 years of togetherness, let us celebrate this landmark year with pride and unity. May the year ahead bring joy, prosperity, and many memorable moments for you and your loved ones. Together, let us continue to strengthen our bond and take our club to even greater heights.

With warm wishes and sincere regards,
